

The Angel Song

Description: An Angel comes to teach you about the Reason for the Season! Sit back and relax as we take all the hard work out of performing a play. We bring costumes, props and the storyteller. We even tell you your lines! Includes samples of “gold, Frankincense and myrrh” as well as some furry actors to bring the story to life. Great for all ages and available in December Only. Can be done indoors or outdoors. Up to 35 participants.

Length: This program starts at one hour but for an additional charge you can add hour(s). We also offer five presentations over a period of five hours at a discounted price.

Price: Prices on all programs vary on time of year, how many (hours) and where you are located. We service NY, NJ, DE, PA and MD. We are located in Pennsburg, PA. We typically will travel three hours away.

When will we arrive? When will we leave? We come about 30min before your “start” time to set up. Due to different ages of audience we will remain till the conclusion of the program, which is approximately one hour. It will take about 20-30 minutes to clean up the program at your facility. Keep in mind we cannot control the traffic, but we will try to give you a call if we are going to be late.

What animals do we bring? A donkey, sheep and alpaca (to stand in for a camel). We reserve the right to substitute or leave either of these animals at the farm if the animal’s health is in question or is otherwise unavailable. If you do not want an animal, please try to request this before delivery date. If you do not you may ask the farmer to keep said animal in vehicle.
